

St Ambrose Barlow RC High School A Specialist Technology College

Mission Statement

St Ambrose Barlow is a Catholic School which develops meaningful experiences for the whole school community through prayer, worship and liturgy in the spirit of Christ and reflecting the example of our patron saint. The school is distinguished by the quality of care extended to all pupils and staff. Each individual deserves recognition and respect as befits a unique and important being, made in the image of God. We provide an all-embracing curriculum within a Catholic Christian framework. Our children are encouraged to grow in understanding and to acquire those qualities, skills and values which will prepare them for the opportunities, responsibilities and experiences of adult life. We strive to create a distinctive and dynamic partnership between home, parish and school which fosters a caring relationship and is supportive of a wider community.
